Subject: Approval of Amended Notice of Intention to Commence Small Mining Operations,
GoldTerra Inc., Black Knight Mine, S0150078, Task 1813, Emery County, Utah

Dear Mr. Sheppard:

The Division has reviewed the revised pages for the referenced Notice of Intention to Commence Small Mining Operations (Notice) and finds them complete. Enclosed with this letter are copies of the pages stamped approved. Please note that your reclamation surety is only adequate for one acre of disturbance and that, as noted in the revised Notice, you would need to submit an amendment and additional surety before expanding beyond one acre.

Thank you for your cooperation in submitting this amendment. Please call Paul Baker at 801-538-5261 if you have questions about this approval.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
